SUMMARY

This bill adds “genetic information” to the list of protected classes in existing law under which discrimination is prohibited.

ANALYSIS

The August 15, 2011, amendments add contingent enactment language that would require provisions of this bill to be operative only if provisions of AB 887 (Emmerson) are also enacted.

The amendments do not impact the department’s programs or operations or state income tax revenue. The department’s analysis of this bill as amended June 21, 2011, still applies.
